

Formula Student Netherlands 2024 - Technical Inspection Schedule V3.0

NOTES:

'Early' Scrutineering takes place on Saturday July 13th and Sunday July 14th. Please note that pit garages will not be available during these times. Teams will be allocated a place in the paddock near the inspection area. Teams are advised to bring a small tent. A team may forfeit their early scrutineering slot if not comfortable with the given circumstances. Teams that forfeit their early slot will be scheduled on Monday after pit garages have opened. Please contact the organization.

Accu and Electrical Inspections take place at the same area. Mechanical Inspection takes place in a different dedicated area.

New for 2024: Teams will receive 8 dynamic vests per team. Simultaneous A&M inspections are possible.

New for 2024: Each team is assigned two M-inspection slots (2h and 1h). Further inspections slots can be planned with the scrutineers on site
